Dear Sir/Madam

I have learned about the Chemical Engineering vacancy for internship with RecruitAGraduate on the internet on the 31st of May 2021 . I'm writing to reveal my interested in securing the position. As an undergraduate student at Vaal University of Technology, I am looking to gain experience and out do the work.

I am studying a multitude of subjects which include Applied Communication Skills , ICT Skills , Social Intelligence , Engineering Skills , Engineering Chemistry , Physics and Mathematics . My education is teaching me all of the necessary skills I need to succeed as a Chemical Engineer.

Thank you for your time and consideration. I am looking forward to hear from you and learn more things about the Chemical Engineering position at RecruitAGraduate.

Yours Sincerely

Mr YL Ncangai
